by deleting all language after the enacting clause and substituting instead the following:

SECTION 1. Tennessee Code Annotated, Section 63-5-108, is amended by adding the following as a new subsection:

(h)

(1) Notwithstanding any law to the contrary, the practice of dental hygiene also includes prescriptive authority limited to fluoride agents, topical oral anesthetic agents, and nonsystemic oral antimicrobials that:

(A) Are not controlled substances under state and federal drug laws; and

(B) Do not require a license from the federal drug enforcement agency to prescribe.

(2) Prescriptive authority under this section must be:

(A) Exercised under the general supervision of a licensed dentist;

(B) Pursuant to rules promulgated by the board; and

(C) In compliance with all applicable laws concerning prescription packaging, labeling, and record keeping requirements.

(3) A prescription written by a dental hygienist under this subsection (h) must be reviewed by a licensed dentist within thirty (30) days.

(4) The board shall determine by rule the educational and training requirements necessary for a dental hygienist to exercise prescriptive authority pursuant to this section.

0332533206

004967

(5) The board shall determine by rule the percentage of fluoride or any other active ingredient in any medication that may be prescribed by a dental hygienist under this subsection (h).

SECTION 2. For purposes of promulgating rules, this act shall take effect upon becoming a law, the public welfare requiring it. For all other purposes, this act shall take effect July 1, 2019, the public welfare requiring it.

Comm. Amdt. _____

by deleting all language after the enacting clause and substituting instead the following:

SECTION 1. Tennessee Code Annotated, Title 63, Chapter 1, Part 1, is amended by adding the following as a new section:

(a) Notwithstanding any requirement for the licensure of a medical professional by a health related board listed in § 68-1-101, a medical professional who has a current license to practice from another state, commonwealth, territory, or the District of Columbia is exempt from the licensure requirements of such boards, if:

(1) The medical professional is an active or reserve member of the armed forces of the United States, a member of the national guard, a civilian employee of the United States department of defense, an authorized personal services contractor under 10 U.S.C. § 1091, or a healthcare professional otherwise authorized by the department of defense; and

(2) The medical professional is engaged in the practice of a medical profession listed in § 68-1-101 through a program in partnership with the federal Innovative Readiness Training.

(b) The exemption provided by this section only applies while:

(1) The medical professional's practice is required by the program pursuant to military orders; and

(2) The services provided by the medical professional are within the scope of practice for the individual's respective profession in this state.

004270

(c) This section does not permit a medical professional exempt by this section to engage in the practice of a medical profession listed in § 68-1-101, except as part of federal Innovative Readiness Training as described in this section.

(d) The respective health related board may promulgate rules to effectuate this section. The rules must be promulgated in accordance with the Uniform Administrative Procedures Act, compiled in title 4, chapter 5.

SECTION 2. For the purpose of promulgating rules, this act shall take effect upon becoming a law, the public welfare requiring it. For all other purposes, this act shall take effect July 1, 2019, the public welfare requiring it.

AMEND Senate Bill No. 637*

House Bill No. 1462

by deleting all language after the enacting clause and substituting instead the following:

SECTION 1. Tennessee Code Annotated, Section 68-11-1607, is amended by adding the following as a new subsection.

()

(1) Notwithstanding this title to the contrary, no certificate of need is required for a hospital to operate an opioid treatment program if the opioid treatment program is located on the same campus as the operating hospital and:

(A) The operating hospital is licensed under title 33; or

(B) The operating hospital is licensed under this title and operates one hundred (100) or more psychiatric beds.

(2) For purposes of this subsection, "campus" has the same meaning as defined in 42 CFR § 413.65.

SECTION 2. This act shall take effect upon becoming a law, the public welfare requiring it.
